Huskies Trounce Little Britain

The Haliburton Huskies opened the hockey season at the Haliburton community arena on Saturday night, and what an opening game it was as the locals trounced Little Britain by the score of 15-4.

The Little Britain team were anything but fresh for the contest as they played in Minden the night before.

Playing before a large crowd the Huskies were out to win right from the opening whistle. Led by George Nicholls who had six goals for the night, the Haliburton crew outskated and out checked the visitors.

In a close first period the Huskies came out with a 2-1 edge and it looked as though the game would be close.

In the next two periods the Little Britain team seemed to tire out as a result of the game played the previous evening. The game ended Huskies 15, Little Britain 4.

Ice Chips

The Haliburton Huskies probably have the heaviest and best defence in the league. Dave Nicholls, Grant Rae, David Sawyers and Murray Hague, who are all over 200 pounds and averaging six feet in height.

The Huskies move to Sutton for a Friday night game and play host to Cobocok on Saturday night. Cobocok were the powerful ORHA finalists last year.

Elwood Sims was the winner of the turkey draw. The Huskies are having a turkey draw at each home game. The money is being used to buy new equipment for the team.

Coach Albert LaRue was out of town for the week end game so trainer Stan Roberts handled the team from the bench.

THE ABOVE SCENE depicts the ruins of a disastrous fire which took the lives of Mrs. James Stanton, 31, and her daughter Judy Lee, 4, Mr. John Hartley of Etobicoke, 26 and his wife Louise, 25. The fire which occurred on Christmas eve, took place five miles below Minden. Those who survived are the Hartley twins, Janet and Janice and Mr. James Stanton who is making a satisfactory recovery in the Minden hospital.

Stan Parish Heads MHL

A meeting was held for the purpose of organizing minor hockey in the county on Tuesday, December 26.

The meeting, which had a fairly good representative attendance, requested R. J. Curry to act as chairman for the occasion.

A lively discussion was held regarding minor hockey and ways and means considered as to how more enthusiasm might be developed.

A vote of thanks was moved to Albert J. LaRue for the valuable service he had rendered as chairman of minor hockey and all expressed regret that he felt it necessary to step down.

The following were selected to conduct minor hockey affairs for the coming season: president, Stan Parish; vice president, George Constable; secretary, Leonard Salvatori; executive, Glen Sawyer of West Guilford, Jack Hunter of Gooderham and Rev. John Smith of Haliburton.

WHAT MINDEN COUNCIL DID

A meeting of the Anson, Hindon and Minden council was held in the council chamber on Wednesday, December 20, 1961, with all members present.

In reply to a letter from Mr. Pendrith, a summer resident on Twelve Mile Lake, the clerk was asked to write stating that the municipality could not maintain the road in question as it is a private road. Also that council would consider taking the road into the municipal system providing an allowance of 66 ft. was deduced to the municipality and that the present road by approved by the municipal engineer.

In reply to a letter from Mr. Clayton Hodgson, the clerk was asked to write and thank him for the interest he has shown in trying to find a solution regarding the low water levels of the Gull River. Also that council believe it would be an excellent idea for the department to build a dam on the Gull River, south of Minden, as

suggested by Mr. Hodgson, if no other solution can be found.

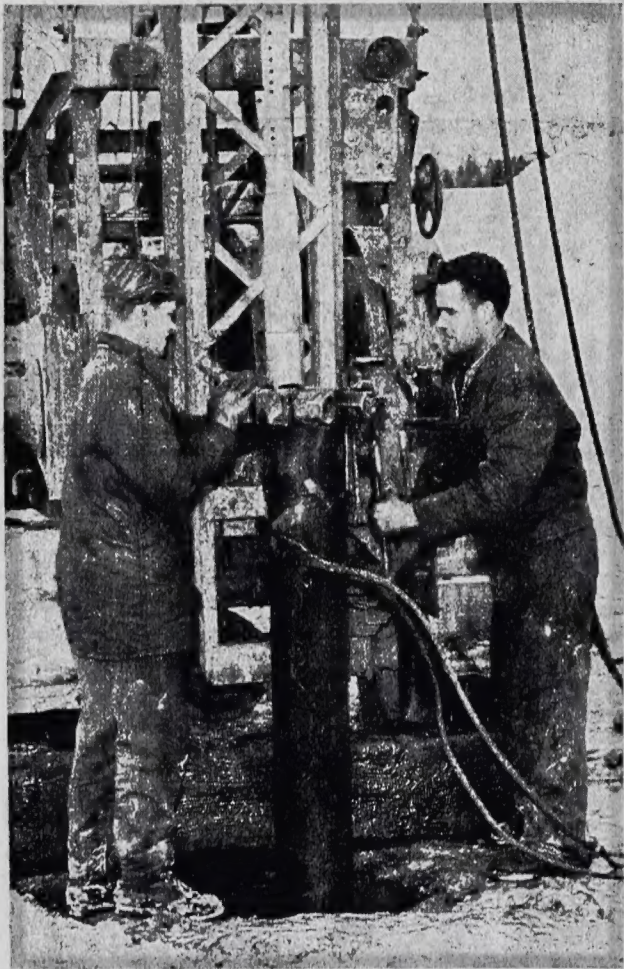

The first and second readings were given a hawkers' and pedlars by-law.

Five hundred feet of snow fence and 25 trail steel posts are to be purchased at a cost of \$106.87 subject to the approval of road engineer, Robert Simms.

Application is to be made to have \$832.99 (the tax rebate on the new truck) transferred toward the purchase of a new plow wing.

Accounts were paid amounting to \$656.24.

The next regular meeting of council is to be held in the council chamber on Wednesday, January 3, 1962, unless called earlier by reeve L. A. Pritchard.

Test Drill Program Successful

A test drilling program being conducted by the Water Resources Commission in Minden has found a good supply of water.

A few months ago the municipal council authorized the O.W.R.C. to spend up to \$7,500 in an effort to find a water supply, capable of supplying the village. After calling for tenders the contract was let to Mr. C. Rutledge of Nobleton.

The present well, north of the liquor store, was drilled to a depth of 156 ft. where the drillers struck rock after going through 12 feet of

gravel. After the drilling was completed the well was pumped for several hours at the rate of 100 gallons a minute.

To secure definite information as to the supply of water available, the O.W.R.C. is planning to pump the well at a high rate of flow for a 24 hour period.

Previous to drilling this well, a well was drilled on the vacant lot beside the public library where a good supply of water was found, but the engineers did consider the volume not great enough to supply the village.

The holiday season is over and we are on the threshold of a brand new year. Taking the world at large, 1961 was not a very comforting year for the majority of people who inherit this old globe. It seemed to be a year of crisis but serious armed conflict was avoided except on some minor fronts. While Canadians as a whole did not fare too badly there was room for improvement. Let's hope that 1962 will be a brighter and better new year for all.

We are reminded in an advertisement in this paper that the annual meeting of the Haliburton branch of the Canadian Red Cross will be held in the board room of the nurses' residence on Friday, January 12 at 8.30 p.m.

That new building under construction on the premises

of the Lorne Bailey Lumber Co. is a garage that will house their trucks and equipment. The building is 16 ft. wide by 60 ft. long and serves as proof that the stories we hear about the lumbering industry in these parts being on its last legs should be taken with the proverbial grain of salt.

Friends will be sorry to learn that Mrs. Helen Hoxie suffered the loss of her sister, Mrs. Elizabeth Simpson on Christmas day. The deceased had been in very poor health for some time and her demise was not unexpected. The funeral service was held from the chapel of John Welch & Son, Minden, on Wednesday, December 27. Interment was made in Evergreen cemetery vault.

Though the Dysart board of health is doing everything

possible to locate the source of sewage which has, for some time been flowing down the storm sewer on Maple Street into the Drag River, as yet nothing has been uncovered.

It would appear that there are many more places hooked into the drain than was at first thought and this makes it difficult to ascertain just where the trouble lies. On Saturday afternoon last Mr. Alfred Burke, sanitary inspector of Dysart lifted the top off the manhole at Highland and Maple Sts., and it is most apparent that sewage is still seeping in.

We must leave no stone unturned to see to it that Drag River and Head Lake are kept free from this sort of pollution even if it means ripping up the street in order to just see who is responsible for the problem which confronts us.

Minden W.I.

The Minden W.I. held their Christmas meeting in the Orange hall December 20 amid the attractively decorated hall with a very shapely pine tree at the platform and Mrs. Kernohan presiding. The usual opening of the ode followed by the Mary Stewart collect was followed by the carol, "It Came Upon the Midnight Clear."

The treasurer's report was given followed by the minutes and the collection then taken.

A list of names for cards or baskets was then made up for Mrs. W. A. Welch, convenor.

Committee for a card party are Mrs. Prentice, Mrs. Macarthur and Mrs. Harry Welch and visitors to the hospital are Mrs. W. A. Welch and Mrs. A. Coulter. It was decided to purchase a pair of flannelette blankets for the Burnette family who had lost their home by fire recently.

The roll call of exchange of gifts resulted in everyone receiving an attractive gift. Also a Christmas card was sent around to be signed and sent to Mrs. Harding with best wishes of all present.

The program was one of Christmas readings by Mrs. Dawson, Mrs. Noice and Mrs. Sears with carols sung between and concluding with Jingle Bells.

Then Mrs. Sears gave out the gifts to secret pals and the meeting concluded with God Save the Queen and the W.I. Grace. A very festive lunch was served by the committee, Mrs. Dawson, Mrs. Kernohan, Mrs. A. Coulter, Mrs. Harding and Mrs. Moore.

The next meeting will be held in the evening at Mrs. Macarthur's home on the usual date.

DONALD

The ladies of Donald held their annual Christmas party at the home of Mrs. Wm. Emmerson on December 21. After an evening of games and songs, a delicious lunch was served.

Congratulations to Mrs. Cecil Harrison on winning the pair of lamps. The draw was on December 23.

Master John Robinson spent Christmas week with his uncle and aunt, Mr. and Mrs. Jack Cornish of Mimico.

Mr. and Mrs. Wm. Emmerson and family spent the Christmas holidays with Mrs. W. O. Bailey of Toronto. Miss Cheryl Emmerson stayed with her grandmother for Christmas week.

Mrs. Woodcock Sr. of Fenelon Falls, Mr. and Mrs. Gratton Woodcock, daughters Joan and Nancy of Minden were visitors on Christmas day at the home of Mr. and Mrs. Roy Bates.

Mr. and Mrs. Robert Packard and family were visitors on Christmas day at the home of Mr. and Mrs. Jim Packard of Maple Lake.

Visitors here over Christmas holidays were Mr. and Mrs. Frank Howe, Miss Anne Downer, Mr. Ronald Pasquino, Miss Barbara Pasquino, all of Toronto; Mr. and Mrs. John Pasquino of Peterboro, Mr. and Mrs. T. Pasquino and family of Lindsay; Messrs. Charles and Edward Brohm of Fraserville, Ont.

Mr. and Mrs. Lawrence Emmerson of Orillia were visitors at the home of Mr. and Mrs. Earl Schellenberg on Boxing Day.

Among the visitors to town over New Years were Mrs. Ed. Burk and son Teddy of Orillia; Mrs. Ed. Woods of Lindsay; Mr. and Mrs. Jack Cornish, Mr. Ralph Cornish, all of Mimico, Mrs. Joseph Robinson, Mrs. Sadie Robinson and Mr. Robert Lytle, all of Lindsay, Mr. and Mrs. Robert Bunn and family of Toronto.

A happy and prosperous New Year to all in 1962.

LEW NEVILLE of Haliburton was a winner of a major prize in the 1961 "Big Fish" contest conducted throughout the province under the auspices of the Ontario Federation of Anglers and Hunters, in co-operation with Molson's Brewery (Ontario) Ltd., it was announced today.

Mr. Neville shared in the cash awards of more than \$3,000. He was winner of fourth prize in the category of lake trout and his prized

fish weighed 36 pounds, eight ounces.

A U.S. resident, Edward Brewer of Findlay, Ohio, hooked the whopper in the contest, a 48 pound muskie, but Ontario fishermen copied 82 of the top 120 prizes.

The contest aroused widespread interest and hundreds of entries were received. The Hon. J. W. Spooner, minister of Lands and Forests for Ontario, was chairman of the panel of judges.

THE STANHOPE STORY
Chapter 13

Just how did a pioneer congregation go about securing a new building to house its regular services? Better than any latter day writer the circuit register and minute book of the Stanhope Methodist Mission tell of the planning and construction of Maple Lake's "Twentieth Century Church" which today serves the United church congregation.

Dating from 1895, the circuit register contains an annual list of the membership of its five appointments. Of the 32 members of the Zion (Carnarvon) church, the earliest date is that of its trustee, steward and local preacher Alfred W. Moore. His fellow trustees were Robert Moore, Robert Baker, Isaac Higginbottom and Joseph Cook who was also Sunday school superintendent. He consequently worked with new congregations at Blairhampton and Maple Lake and in the 1920's helped start a Baptist Sunday school at West Guilford.

At Bethany the class leader and steward was John Prentice with Wm. S. Coster as local preacher and Sunday school superintendent. They ministered to a congregation of 15 in 1892. It is probable that the

Blairhampton church dated from 1893 when its 20 members were led by Samuel Lewis Sr. At Maple Lake the leader of the 22 Methodists in 1895 was Hugh McPhail assisted by the steward and Sunday school superintendent Hiram D. Sawyer while the nearby Pine Lake congregation of 21 was led by Mr. William Barnum Sr. with Daniel McIntyre as steward. The recording steward for the eight Boshkung Methodists was Thomas Mason.

When the amalgamated congregations of Pine and Maple Lake proposed to build a new church, most of the people of the other appointments rallied royally to their aid.

There are the minutes of the meeting dated at Maple Lake December 1, 1900, which started the project on its way:

"A meeting was held tonight at the home of Mr. Durlin Demill, composed of committees from Maple and Pine Lake Methodist congregations presided over by the Rev. H. W. Foley, superintendent of the mission. The meeting was opened by the reading of the lesson and prayer. Those present were D. Demill, George Clarke, Mr. H. Fetterley, Joe Fader, John Archer, D. McIntyre, Wm. Boice, Wm. Barnum and Chris Barry.

The object of the meeting as explained by the chairman was to consider the advisability of building a new church at the burying ground at Clarke's Corners. Meetings had already been held at each of the school houses. Committees had been appointed to represent each congregation in a joint meeting as follows: Maple Lake, D. Demill, Joe Fader, T. Jones Jr., Joe Cook, Wm. Demill, John Archer, F. Liscombe and F. McPhail. The names of Wm. Boice and H. Fetterley were added to the list.

Pine Lake included John Bird, Wm. Barnum, Chas. Barnum, D. McIntyre, Chris Barry, John Horsley, Wm. Baker and Alex Baker.

It was decided to canvas both appointments again carefully and start a subscription list which should be used if it was decided to build.

Mr. Demill and Mr. Fetterley were appointed to canvas the Maple Lake portion of the mission and the Rev. H. W. Foley and Mr. Chris Barry to canvas Pine Lake."

According to a meeting two weeks later everyone was in favor of the project and \$250 in cash and work had been subscribed. A building committee was formed. Not letting any grass grow under their feet, two days later the committee had

drafted plans for a frame church seating 150 people to be finished with dressed siding.

Its interior would be wainscotted and finished with lath and plaster with a block ceiling finished with V joint stuff. A driving shed to accommodate at least five teams was also proposed and Mr. Foley was authorized to borrow money to finance necessary material purchases "before the sleighing should go."

The first subscription list contained pledges of money and days of work by 63 people. It was further swelled by community efforts such as a Pine Lake tea on May 4, 1901, which raised \$19.70, another tea on September 16 which swelled the coffers by \$29.25 and a social two days later which realized \$6.55. By November 23, \$559.34 had been raised \$200 by a note and the remainder by the people.

During the new year of 1901 50 men, many with their teams hauled lumber from the George Stevens mill at Boshkung and lumber and materials from Haliburton. When construction was begun they labored manfully under the direction of Mr. R. Gordon who contracted the building. He was paid \$115 for 12 weeks' work.

In September a lock for the church was purchased so one might assume that the main work was over. In December the completed church was insured by R. H. Baker and the thankful congregation rested from their labors.

Strange as it sounds, those early church accounts teem with human interest—the triumph of a new organ which arrived in May of 1902 to boost the singing, a pulpit purchased from a Lindsay Sunday school and a "honeysocial" which on December 21, 1909 realized \$27. Someone had a fine eye for profit for the honey purchased from Dan Gorrie only cost \$6.

The death rate can be gauged by the purchase of new burial plots. In this connection there is a minute on the books to the effect that one father be notified to raise and rebury a child which had been interred by error in someone else's plot.

The church at Clarke's Corners has served the community well for over half a century. In 1958 the building was completely renovated and a new basement containing a kitchen and Sunday school facilities was added. Two years later a modern oil furnace was installed. Barring accident or atom bomb the "Twentieth Century Church" should still be in service when the 21st century dawns.

Haliburton News Notes

The Haliburton Rotary Club and the Royal Canadian Legion held their annual Christmas tree for the children on the Saturday before the Yuletide season. As usual Santa Claus made his appearance handing out bags of candy for the children who lined Haliburton's main street. The children also attended the free show at the Molou theatre on Saturday afternoon.

A trip around the town during the Christmas holidays found most of the houses all aglow with Christmas tree lights. It seemed that this was a record for decorating the Christmas trees and the houses.

No fires were reported in Haliburton over the holiday season.

Capt. Bill Kerr of the Salvation Army who is now stationed at R.R. 3, Mascouche, Que., renewed old acquaintances in the village during the holiday season.

The hockey season is underway and the Haliburton Huskies played their first game of the season at the local arena on Friday night.

The Haliburton figure skating club will be back in operation this year and we understand that they will have their practices in Haliburton on Saturday afternoons.

The Haliburton arena was open during the Christmas holidays and the young people had an opportunity to try out their new skates.

We are glad to report at this time that the contributions to the local T.B. Christmas seal campaign were very gratifying.

Lakefield Woman Fined After Auto Rams Store

Excessive speed combined with lack of driving experience were given as the reason for a one car accident in which part of an empty Tory Hill store was demolished. This was noted by Magistrate R. I. Moore in magistrate's court, Lindsay, Friday, December 22, when convicting Mrs. Pearl Drinkwater of R.R. 3 Lakefield of careless driving.

Mrs. Drinkwater, who entered a not guilty plea, was driving west on Highway 500 when the car went out of control, skidded across the highway, and crashed into the front of the vacant building.

Minor Injuries

Investigating officer Const. Harvey Cook of the OPP Haliburton detachment said that Mr. and Mrs. Holly of Lakefield and two children passengers in the car were treated for minor injuries.

Haliburton truck driver John Moore testified that he was standing at a nearby service station when he saw the car swerve across the highway.

Damage to the store was estimated at \$200 while damage to the car was estimated at \$150.

OPP Investigating

The court heard that OPP at Peterboro are investigating circumstances surrounding the sale of the car to the Drinkwaters.

Const. Cook said that the car was purchased from a Lakefield dealer only two days before the accident. Originally the car had been purchased from a Peterboro dealer.

Magistrate Moore criticized the Peterboro detachment for the delay in completing the investigation. He noted that the accident took place December 2. "They have had plenty of time to conduct the investigation," he declared.

A fine of \$25 and costs of \$26.50 were imposed by the court. Accused was given until Wednesday to pay the fine.

A charge of having liquor in a public place, laid against Douglas Drinkwater, was withdrawn by Crown Attorney Lorne Jordan.

IN MEMORIAM

Barry—In loving memory of Ross Barry who passed away January 1, 1959: your last parting wish... We would like to have heard, And breathed in your ear Our last parting word. Only those who have lost Are able to tell The pain in the heart At not saying farewell. —Ever remembered by wife Mina and children.

Barry—In loving memory of Ross Barry who passed on January 1, 1959: Time speeds on, one year has passed Since death its gloom, its shadow cast Within our home, where all seemed bright, And took from us a shining light. We miss that light, and ever will, His vacant place there's none to fill. Down here we mourn, but not in vain, For up in heaven we will meet again. —Ever remembered by mother, father and brothers.

due to a heart seizure.

The deceased was well known all over this area as for a number of years he was accountant at the Bank of Montreal, Haliburton.

Doug, as his many friends called him, was the type of person who really got a kick out of living and his ready wit and cheerful disposition made him well liked by all who were fortunate enough to have known him.

After leaving Haliburton the deceased went to Belleville and it was while stationed there he married the former Doris Johnston of Haliburton who was attached to the bank staff in Trenton. At the time of his demise the late Mr. Watterworth was stationed with the bank in Toronto.

The sincere sympathy of this community goes out to Mrs. Watterworth and little daughter Ann as well as members of the immediate family who were so suddenly bereft of one so near and dear to them just at a time when so many of us were preparing to celebrate the joyous Christmas holiday.

The funeral service was held from the Prevett Funeral Home, West Lorne, on Tuesday, December 26. Interment was made in Ridgeway cemetery.
